AGAR Clauses

452.203-71 Anti-Discrimination and Diversity, Equity, and Inclusion (DEI) Compliance (Dec 2025)

(a) By entering into this contract, the Contractor certifies that:

- (1) It is compliant with all applicable Federal anti-discrimination laws and the Equal Protection principles of the U.S. Constitution, and it will remain compliant for the duration of the contract.
- (2) Neither it nor any subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution, and the Contractor and any subcontractor or teaming partner will not do so for the duration of the contract.

(b) If the Contractor participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other detention facilities, the Contractor certifies that it will remain compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

(c) The Contractor affirms that the above requirements are conditions of payment that go to the essence of the contract and are therefore material terms of the contract. Payments under the contract are predicated on compliance with the above requirements, and therefore the Contractor is not eligible for funding under the contract or to retain any funding under the contract absent compliance with the above requirements.

(d) This certification reflects a change in the Government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this contract.

(e) Submission of a knowing false statement relating to Contractor's compliance with the above requirements and/or eligibility for the contract may subject the Contractor to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

(f) The Contractor must include the provisions of this clause in all subcontract solicitations.

452.204-70 Modification for Contract Closeout (Nov 2025)

(a) If unliquidated funds in the amount of \$1000 or less remain on the contract, the Contracting Officer (Contracting Officer) shall issue a unilateral modification for deobligation. The contractor will receive a copy of the modification but will not be required to provide a signature. The Contracting Officer shall immediately proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(b) Upon contract closeout for contracts utilizing SAP: if unliquidated funds of more than \$1000 remain on the contract, the Contracting Officer shall issue a bilateral modification for deobligation. The contractor will receive a copy of the modification and will be required to provide a signature. (The Contracting Officer may also request a "Contractor Release of Claims" be completed by the contractor, although not required for contracts and orders using SAP.) If the bilateral modification and Release of Claims are not returned to the Contracting Officer within 60 days, the Contracting Officer shall release the modification as unilateral and proceed with contract close-out upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(c) Upon contract closeout for contracts utilizing anything other than cost reimbursement, if unliquidated funds of more than \$1000 remain on the contract, the Contracting Officer shall issue a bilateral modification for deobligation. The contractor will receive a copy of the modification and a "Contractor Release of Claims" and will be required to provide a signature on both forms. If the bilateral modification and Release of Claims are not returned to the Contracting Officer within 120 days, the Contracting Officer shall release the modification as unilateral and proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(End of Clause)

452.204-71 Personal Identity Verification of Contractor Employees (Nov 2025)

(a) The contractor shall comply with the personal identity verification (PIV) policies and procedures established by the United States Department of Agriculture (USDA) Directives 4620-002 series.

(b) Should the USDA Directives 4620-002 require the exclusion of a contractor's employee, the contracting officer will notify the contractor in writing. The contractor must appoint a representative to manage compliance with the PIV policies established by the USDA Directives 4620-002 and to maintain a list of employees eligible for a USDA LincPass required for performance of the work.

(c) The responsibility of maintaining a sufficient workforce remains with the contractor. Contractor employees may be barred by the Government from performance of work should they be found ineligible or to have lost eligibility for a USDA LincPass. Failure to maintain a sufficient workforce of employees eligible for a USDA LincPass may be grounds for termination of the contract.

(d) The contractor shall insert this clause in all subcontracts when the subcontractor is required to have routine unaccompanied physical access to a Federally controlled facility and/or routine unaccompanied access to a Federally controlled information system.

(e) The PIV Sponsor for this contract is a designated program point of contact, which in most cases is the COR, unless otherwise specified in this contract. The PIV Sponsor will be available to receive contractor identity information at a place and time designated after contract award. The Government will notify the contractor if there is a change in the PIV Sponsor, the office address, or the office hours for registration; however, it is the contractor's responsibility to meet all aspects of paragraphs (c), (d), and (e).

Solicitation Information

Award Type

It is anticipated that a firm-fixed price contract will be awarded as a result of this synopsis/solicitation.

The Government intends to make one award from this solicitation. Therefore, to be considered responsive, contractors must submit pricing for all items.

Evaluation and Basis for Award

Evaluation-Commercial Items

The provision at Federal Acquisition Regulation (FAR) 52.212-2 Evaluation of Commercial Items is not applicable to this solicitation. In lieu of this provision, quotes will be evaluated in accordance with FAR 12.203 based on the criteria listed below. Award will be made to the offeror representing the best value to the Government.

Price:

The offeror shall provide pricing as requested in Attachment 1 Schedule of items. Total price evaluation will be for the base period, all option periods and in accordance with FAR 52.217-8, up to a six-month extension period. Failure to propose pricing for the base period and all option periods on individual line items may result in a quotation being excluded from further consideration. The offeror's quotation will be evaluated in accordance with FAR 12.204, to determine if it is fair and reasonable.

For purposes of evaluation, the potential need to exercise the option under FAR 52.217-8 to extend a period of performance for a maximum period of six (6) months beyond any period of performance will be considered the same for all offerors. The Government will consider that if the extension of service clause (FAR 52.217-8) is exercised, it will be on the exact same rates and terms, other than length of performance, as the period of performance being extended. For purposes of evaluation only, the Government will use the rates specified in the last option period and add the cost of six months to the prices proposed for the base period and all option periods to determine total evaluated price of the contract. The Government will determine whether the price, including the options available under FAR 52.217-8, is fair and reasonable.

Technical Acceptability:

Technical Acceptability will be evaluated to receive an overall rating of "acceptable" or "unacceptable." This will be based on the offeror's ability to provide a sound and compliant approach that meets all requirements and shows a thorough understanding of them. It is the contractor's responsibility to ensure their quotation clearly demonstrates their capability to meet these requirements. All offerors must provide the following minimum information and documentation with their quotations to be considered responsive and have their offers evaluated:

GMF SO Janitorial
Solicitation Number 12444326Q0017

- Detailed explanation of the offeror's ability to perform the required services. A simple statement of capabilities will not suffice. The offeror must address how they will accomplish the requirements of the statement of work (SOW).
- Detailed explanation of any requirement listed in the SOW that cannot be successfully accomplished by the offeror. Offerors are advised that the USDA intends to award without discussions so any exceptions may cause the quotation to be found technically unacceptable.
- Provide a list of similar projects completed by your firm over the past three years. Include a brief description of the project, dollar amount, year completed, and project owner contact information (name, phone, and email).
- Provide a list of all key personnel to be used on the project (including sub-contractors on the project) and their qualifications.

Past Performance:

The Government may utilize any references provided by the Contractor, along with information available from past contracts/orders with the USDA and any information found using sources such as Federal Government sources or the Contractor Performance Assessment Reporting System (CPARS) to determine if the Contractor has acceptable or neutral Past Performance. Past Performance will be evaluated using the following rating system:

- Acceptable: The contractor shows a demonstrated ability to meet contract requirements in prior or current contracts, including quality of work, timeliness, cost control, business relations, and adherence to contract terms.
- Neutral: Offeror does not have a past performance record.
- Unacceptable: The contractor has a documented history of failing to meet contract requirements, including poor quality, missed deadlines, cost overruns, lack of responsiveness, or unethical behavior.

Evaluation Method

The Government will evaluate quotations based on the lowest price technically acceptable criteria. Only the lowest priced offer will be evaluated for Technical Acceptability. Should the lowest priced offer not receive an acceptable technical or past performance rating, the process will continue in order of lowest priced offer until the lowest price, technically acceptable offer with acceptable or neutral past performance is identified.

52.252-1 Solicitation Provisions Incorporated by Reference Feb 1998

Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide

- (4) Neither it nor any proposed subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution.
- (b) If the offeror participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other detention facilities, by submission of its offer, the offeror certifies that it is compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

- (f) Failure on the part of the offeror or its subcontractors to comply with the terms of this clause may be grounds for the Contracting Officer to terminate the contract for default.

NOTICE FOR FILING AGENCY PROTESTS
United States Department of Agriculture (USDA) Ombudsman Program

The USDA is committed to issuing solicitations and awarding contracts in a fair and prompt manner. The Ombudsman Program for Agency Protests (OPAP) was established to address protest issues within the agency, providing an alternative to costly and time-consuming litigation. Operating independently, OPAP offers relief comparable to that granted by the Government Accountability Office (GAO). Interested parties are encouraged to resolve concerns through USDA's internal Alternative Dispute Resolution (ADR) process before pursuing external forums such as the GAO. Concerns may be addressed informally or through a formal agency protest filed with either the Contracting Officer or the Ombudsman.

Informal Forum with the Ombudsman

Solicitation Number 12444326Q0017

1. **Initial Point of Contact:** Interested parties who believe a specific USDA procurement is unfair or otherwise defective should first direct their concerns to the applicable Contracting Officer.
2. **Escalation:** If the Contracting Officer is unable to address their concerns, interested parties are encouraged to contact the USDA Ombudsman for Agency Protests. Under this informal process, the agency is not required to suspend contract award performance. Utilization of the informal forum does not suspend any time requirement for filing a formal protest with the agency or other forums.
3. **Required Information:** To ensure a timely response, interested parties should provide the following information to the Ombudsman: solicitation/contract number, contracting office, Contracting Officer, and solicitation closing date (if applicable).

Formal Agency Protest with the Ombudsman

1. **Effort to Resolve:** Prior to submitting a formal agency protest, protesters must first use their best efforts to resolve their concerns with the Contracting Officer through open and frank discussions.
2. **Independent Review:** If the protester's concerns remain unresolved, an Independent Review is available by the Ombudsman. The protester may file a formal agency protest with either the Contracting Officer or, alternatively, with the Ombudsman under the OPAP program. Contract awards or performance will be suspended during the protest period unless justified in writing for urgent and compelling reasons or determined in writing to be in the best interest of the Government.
3. **Resolution Timeline:** The agency's goal is to resolve protests within 35 calendar days from the date of filing.
4. **Required Information:** Protests shall include the information set forth in FAR 33.104(a)(3). Failure to submit the required information may result in a delay or dismissal of the protest.
5. **Timeliness:** Protests must be filed within the timeframes specified in FAR 33.104.
6. **Submission:** Formal protests under the OPAP program should be submitted electronically to SPE.inquiry@usda.gov and the Contracting Officer.

Election of Forum. By initiating a protest with the USDA, the protester agrees not to pursue the same matter with the Government Accountability Office (GAO) or any other external forum while the agency protest is pending. If a protest is filed externally, the agency protest will be dismissed.
